Additional Information:

Selling an all-black Smart Fortwo 453.

Alloy wheels, winter tires, panoramic roof, heated seats.

The car is in good condition. The engine and air conditioning work properly. The transmission shifts smoothly without jerking, and the clutch works correctly.

After purchase, I recommend standard maintenance: changing the oil, filters, and brake pads. The body could benefit from polishing. The suspension may also need attention, and the alarm occasionally goes off by itself.

I really like this car and am selling it only because I'm moving to another country.
